Company Polyone Wilflex Corporation
8155 Cobb Center Drive
US-30152 Kennesaw, GA

Products EPIC Inks in various colours

Basis

- Detailed documentation concerning the production of the above named products
- Carrying out of supplementary tests in our laboratories (test report ZHXA 081862.1)
- Manufacturer's declaration of conformity in accordance with EN ISO 17050-1

Suitability The above captioned product/product group can be used for the production of human-ecological optimised textiles. Depending on the application of these products by the textile producer respectively textile finisher a control on the following human-ecological parameters is needed of the corresponding treated textiles: pH and colour fastnesses

The results of tests on the certified products or on textiles, which have been treated with these products, demonstrate no detrimental effects to the human-ecological properties of the textiles treated in this way, provided that the products are used in accordance with manufacturer's instructions. The test methods and requirements of the Oeko-Tex® Standard 100 were used for the assessment.
